## Property with ruin in Carrascalinho, Aljezur

This property, with a registered ruin of 66 m<sup>2</sup> and a reconstruction project in the final approval phase, covers 7 hectares of land. It presents an exceptional opportunity for those interested in investing in tourism or seeking a serene nature retreat.

With essential infrastructure already in place and the reconstruction project moving forward in the final approval phase with the Municipality of Aljezur, this property is perfectly situated in a quiet area. It offers privacy, stunning views, and convenient access to the stunning beaches of the Costa Vicentina and the charming villages of the region.

There is construction potential up to 1,000 m<sup>2</sup> for tourism purposes, [subject to approval], and favorable feedback from CCDR for 300 m<sup>2</sup> dedicated to personal housing, providing the flexibility to design your dream home.
